

AMERBRITE®

LED LAMP REPLACEMENT KIT

FOR AMERLITE® LIGHT SERIES

UPGRADE TO THE ELEGANCE OF UNDERWATER LED LIGHTING

The AmerBrite LED lamp replacement kit brings the luminous splendor of LED technology to the best-selling Amerlite light series.

This all-inclusive kit with new glass lens, LED lamp, silicone lens gasket and other key components makes upgrading to a high-efficiency AmerBrite LED lamp fast and easy for your pool professional—and saved time and energy means saved money for you.

With AmerBrite lamps, you'll experience today's best and brightest pool lighting technology as you watch your pool transform into a rejuvenating spectrum of breathtaking color or vibrant white light.

AN ECO SELECT® BRAND PRODUCT

AmerBrite LED lamps have earned the Eco Select brand distinction as one of the "greenest" and most efficient choices from Pentair. LED lights use the least amount of energy of all lighting options and are more durable for longer life.

PRODUCT FEATURES:

- AmerBrite color lamps use 36 watts of power, while white lamps use between 34–51 watts.
- Color lamps feature five brilliant fixed colors and seven dazzling pre-programmed light shows.
- The most efficient LED replacement pool lamp on the market.
- Superior reflector design creates more uniform light distribution.
- Lens can be rotated 180 degrees to provide wide or narrow beam pattern.
- LED technology provides longer life.
- Solid-state technology with no internal filament.
- Available in 120V or 12V versions.
- The only UL and cUL certified LED replacement lamp for Amerlite incandescent fixtures.

AMERBRITE®

LED LAMP REPLACEMENT KIT FOR AMERLITE® LIGHT SERIES

Reflector and lens technology designed to eliminate "hot spots" and glare

Utilizes proven IntelliBrite® 5g Color-Changing Underwater LED Light technology

Durable, solid-state technology with no internal filament to break or wear out

ADD THE MAGIC AND VIBRANCY OF LED LIGHTING

AmerBrite LED lamps are engineered with the most energy-efficient LED technology on the market. Whether you choose a pure, vibrant white AmerBrite LED lamp or a brilliant color LED version with five distinct colors and seven dazzling light shows, you'll add excitement and beauty to your backyard experience. Plus, the savings will really add up thanks to the extended service life and incredible energy efficiency that only AmerBrite replacement lamps provide. To discover how much you could save, visit pentairpool.com/amerbrite-calc and get started with our AmerBrite LED Lamp Savings Calculator.

Kit includes new screw-in power supply, LED lamp, torque limiting nut, unitension clamp, silicone lens gasket and glass replacement lens. Must install inside original Amerlite pool light housing.

THE SIMPLICITY OF COMPATIBILITY

The AmerBrite color lamp perfectly synchronizes with the color sequences of our IntelliBrite lights, as well as GloBrite® LED Lights, ColorCascade® LED Light Bubblers and MagicStream® Laminar color-lit water features. And when used with an optional IntelliBrite Light Controller, pool owners can enjoy fast and easy control of color options and pre-programmed light shows.

For the ultimate in convenience and control, consider an IntelliTouch® or EasyTouch® Control System. You can custom program and control light shows from home or on the go with our many options, including an indoor control panel, wireless remote, or the optional ScreenLogic® Interface for your PC, Mac® computer, iPad®, iPhone® or iPod touch® mobile digital device, or Android® device.
